

Meredith Hurston

Healthcare Transformation Strategist

Meredith Hurston, MHA, CLS(ASCP)^{CM} has built a strong reputation for helping consumers, clinicians and students enrolled in medical and allied health programs succeed by teaching principles of patient advocacy.

She acts as a bridge between these groups, providing tips, tools, strategies and resources learned from caregiving and the workplace. She equips audiences to maximize their potential for the best health outcome.

SPEAKING TOPICS

CONSUMER AND PATIENT

- Common Pitfalls of Healthcare: How to Protect Yourself
- Questions to Ask Your Doctor

HEALTH PROFESSIONAL AND STUDENT

- Engaging Patients in Their Healthcare
- Workarounds: Is There a Real Danger?
- Patient Safety is Your Job. Why YOU Matter!
- Patient Safety Considerations in Design and Development
